

# Project build log and digital safety checklist

A project log for documenting tools, bugs, screenshots, AI help, validation, and safe digital practice.

Checklist	Technology projects	Students, Mentors, Guardians	Reviewed 2026-05-13
-----------	---------------------	------------------------------	---------------------

## Purpose

Use this worksheet to turn a pathway interest into a practical next step.

- Use this document before a mentor session, pathway decision, application step, or guardian review.
- Fill in what you know, mark what is uncertain, and verify official requirements before acting.
- Bring the completed notes to eStudent 360 mentoring, school counselling, or family planning conversations.

## Before You Begin

- Start with a clear learner goal before filling the worksheet.
- Use official sources for entry requirements, costs, deadlines, and safety rules.
- Ask a mentor to review your reasoning and next step; do not ask for guarantees.

## Detailed Checklist

- Describe the problem, tools used, and what you built. Write a note showing what you checked, where the information came from, and what decision or question remains.
- Record bugs fixed, screenshots, and validation notes. Write a note showing what you checked, where the information came from, and what decision or question remains.
- State where AI helped and what you checked yourself. Write a note showing what you checked, where the information came from, and what decision or question remains.
- Remove passwords, tokens, private data, and unsafe links. Write a note showing what you checked, where the information came from, and what decision or question remains.

## Student Planning Worksheet

Complete this section in plain language. If a field does not apply, write N/A. Do not include passwords, government ID numbers, medical records, private contact details, or sensitive family information.

Field	Your notes
Student name or ID	
Country	
Education level	
Pathway	
Decision to make	
Mentor question	

## Reflections, Notes, and Questions to Ask

Use this space to capture what you learned, what still feels unclear, and the exact questions you want to bring to a mentor, guardian, teacher, counsellor, or admissions office.

What I learned or noticed

--

**Questions to ask next**

## Evidence and Source Notes

- Official source checked: record the source name, URL, date viewed, and any requirement you found.
- Cost or deadline checked: record application, materials, transport, examination, scholarship, or registration dates where relevant.
- Mentor question prepared: write one question that asks for guidance, comparison, or feedback rather than a guarantee.
- Next step agreed: write the next action, who owns it, and when it should be reviewed.

## Mentor and Guardian Review

Review item	Student	Mentor	Guardian
Goal is clear and realistic			
Official source checked			
Deadline or next action recorded			
Safety/privacy concern reviewed			
Next step agreed			

## Safe Use Instructions

- Keep mentoring communication inside approved eStudent 360 channels unless the platform gives a clear approved alternative.
- For minors, guardian consent and appropriate supervision are required before mentoring participation.
- Do not share passwords, payment details, identity documents, private addresses, medical records, or emergency details in public Q&A or informal chats.
- If someone asks for money, private contact, gifts, paid access, or unsafe personal information, stop and report the concern.
- If someone is in immediate danger, contact local emergency services or a trusted adult first, then report the platform concern.
