Purpose

Use this worksheet to turn a pathway interest into a practical next step.

- Use this document before a mentor session, pathway decision, application step, or guardian review.
- Fill in what you know, mark what is uncertain, and verify official requirements before acting.
- Bring the completed notes to eStudent 360 mentoring, school counselling, or family planning conversations.

Before You Begin

- Start with a clear learner goal before filling the worksheet.
- Use official sources for entry requirements, costs, deadlines, and safety rules.
- Ask a mentor to review your reasoning and next step; do not ask for guarantees.

Detailed Checklist

- Define the customer problem in one sentence. Write a note showing what you checked, where the information came from, and what decision or question remains.
- List expected costs, tools, and support needed. Write a note showing what you checked, where the information came from, and what decision or question remains.
- Write one safe test you can do this week. Write a note showing what you checked, where the information came from, and what decision or question remains.
- Ask a mentor to challenge assumptions, not guarantee success. Write a note showing what you checked, where the information came from, and what decision or question remains.

Evidence and Source Notes

- Official source checked: record the source name, URL, date viewed, and any requirement you found.
- Cost or deadline checked: record application, materials, transport, examination, scholarship, or registration dates where relevant.
- Mentor question prepared: write one question that asks for guidance, comparison, or feedback rather than a guarantee.
- Next step agreed: write the next action, who owns it, and when it should be reviewed.

Safe Use Instructions

- Keep mentoring communication inside approved eStudent 360 channels unless the platform gives a clear approved alternative.
- For minors, guardian consent and appropriate supervision are required before mentoring participation.
- Do not share passwords, payment details, identity documents, private addresses, medical records, or emergency details in public Q&A or informal chats.
- If someone asks for money, private contact, gifts, paid access, or unsafe personal information, stop and report the concern.
- If someone is in immediate danger, contact local emergency services or a trusted adult first, then report the platform concern.
