Purpose

Compare practical training, apprenticeship, entrepreneurship, and further-study routes.

- Use this document before a mentor session, pathway decision, application step, or guardian review.
- Fill in what you know, mark what is uncertain, and verify official requirements before acting.
- Bring the completed notes to eStudent 360 mentoring, school counselling, or family planning conversations.

Before You Begin

- Confirm whether the provider is recognized or connected to a credible certifying body.
- Ask about tools, safety equipment, supervision, fees, completion evidence, and next-level routes.
- Do not pay informal placement or processing fees without guardian or trusted adult review.

Detailed Checklist

- Choose one skill area to research this week. Write a note showing what you checked, where the information came from, and what decision or question remains.
- Identify the closest training route or apprenticeship option. Write a note showing what you checked, where the information came from, and what decision or question remains.
- Check entry requirements and expected costs. Write a note showing what you checked, where the information came from, and what decision or question remains.
- Prepare a mentor question about next steps or trade-offs. Write a note showing what you checked, where the information came from, and what decision or question remains.

Evidence and Source Notes

- Official source checked: record the source name, URL, date viewed, and any requirement you found.
- Cost or deadline checked: record application, materials, transport, examination, scholarship, or registration dates where relevant.
- Mentor question prepared: write one question that asks for guidance, comparison, or feedback rather than a guarantee.
- Next step agreed: write the next action, who owns it, and when it should be reviewed.

Safe Use Instructions

- Keep mentoring communication inside approved eStudent 360 channels unless the platform gives a clear approved alternative.
- For minors, guardian consent and appropriate supervision are required before mentoring participation.
- Do not share passwords, payment details, identity documents, private addresses, medical records, or emergency details in public Q&A or informal chats.
- If someone asks for money, private contact, gifts, paid access, or unsafe personal information, stop and report the concern.
- If someone is in immediate danger, contact local emergency services or a trusted adult first, then report the platform concern.
